Sir,

I have the Honour to state that Mr.Nadig Bhima Rao a member of the District Board proposed at its meeting held on 23rd December 1925, the construction of a bridge across Dandavati between Sorab and Anavatti and that till the bridge is constructed a ferry service may be opened to facilitate traffic. The Board accepted the latter proposal . The extract from the resolution was forwarded to the President of the Taluk Board for submitting a detailed report. There is a ferry near Siddihalli at a distance of about two miles from the road where a new one is proposed to be opened. The ferry at Siddihalli serves the interior villages while the new one will be useful for travellers on the road and also for the conveyance of postal mail. It is ascertained that the establishment of the new ferry will not effect the income of the existing one at Siddihalli. The contractor will be required to have a good wooden boat at his cost.

Under the circumstaces I request you to be so good as to obtain sanction of Government to the reccommendation of the Board. The entire vernacular file of correspondence bearing on the subject received with report No.518 dated

6

dated 15-5-26 from the President of the Sorab Taluk Board is submitted herewith for reference.

I have the honour to be
